Personal information

1. Name : T. Idhaya
2. Address : Plot No:28, Viswarathna Nagar,
Opposite to Rose Mary School, KTC Nagar,
Palayamkottai, Tirunelveli-627011.
3. Date of birth : 20/05/1993
4. Gender : Female
5. Nationality : Indian
6. Marital Status : Married
7. Mobile Number : 8903246645
8. Email id : idhayathomas003@gmail.com
9. ORCID ID : 0000-0001-6339-8165
10. VIDWAN ID : 408326
11. SCOPUS ID : 58085515200
12. Researcher/PUBLONS ID : ITV-1930-2023
13. Google Scholar Link : https://scholar.google.com/citations?hl=en&user=8_cVOosAAAAJ

Academic Qualifications

Degree of Examination	Name of the School/College/ Universities	Date of		Subject	Percentage (%)	Class /Grade
		Entry	Exit			
Ph. D	Manonmaniam Sundaranar University	2017	2024	Computer Science	-	-
M. Phil	Manonmaniam Sundaranar University	2016	2017		84.25	First Class
M. Sc	St. Xavier's College	2014	2016		77.72	First Class
B. Sc	St. Xavier's College	2011	2014		70.12	First Class
12 th	Rose Mary Matric School	2010	2011	Maths biology	70.00	First Class
10 th	Rose Mary Matric School	2008	2009	Science	82.25	First Class

Research Experience

Research Stage	Title of the work/ Thesis	University
Completed Ph.D Reg. No: 172104012162107 Dated: 10/08/2017	Design and Development of Predictive Machine Learning Models for Drug Discovery based on Protein Family Identification and Drug Protein Interaction Identification	Manonmaniam Sundaranar University

Area of Interest: Image Processing, Machine Learning, Big Data.

Patents

1. Predictive Analytics in Employee Retention: A Machine Learning Perspective on HR data.
2. AI-Driven Early Detection System for Cardiovascular Disease using Multi-Modal Imaging and Deep Learning Models.

Book

1. D. Arul Suresh, M. Vijaymaheswari and T. Idhaya, “**Introduction to machine Learning**”, RG Publications, ISBN: 978-93-48151-10-0, First Edition, 2025.

Work Experience

8 months – From 01-09-2023 to 30-04-2024, Assistant Professor in the Department of **Criminology and Criminal Justice** for the Course **B. Sc Cyber Security**, **M. S. University**.

2 year – From 19-06-2024 to 16-04-2026, Assistant Professor in the Department of **Computer Science**, **St. Xavier’s College, Palayamkottai, Tirunelveli**.

Conference Presented

1. T. Idhaya, “ICT Tools and Artificial Intelligence”, “Leveraging Yolov4 Deep Learning Framework for Arrhythmic Detection from cardiac MRI”, One day International conference on TechCon’26 organized by the Department of Computer Science & Department of Library, G.V.N College on 30th Jan 2026.
2. T. Idhaya, “Non-Resilient quantum Machine Learning Algorithms”, ICCST’2025 organized by Department of Computer Science, Sarah tucker college on 8th August 2025.
3. T. Idhaya, “National Conference on “Intelligence System and Information Technology”, Classification of Coronary artery disease using gradient boosting classifier on cardiac magnetic resonance imaging”, organized by the department of Computer Science, Sri Sarada college for women on 22nd August 2025.
4. T. Idhaya, “Evolutionary Algorithms and It’s Applications - A Review”, International Conference on Recent Trends in Computing and Information Technology (RTCIT-2022), held at Sarah Tucker College, Tirunelveli, TamilNadu, 11th& 12th February 2022.
5. T. Idhaya, “A Survey on Drug Discovery for Precision Medicine”, International Conference on Recent Trends in Multi- Disciplinary Research (ICRTMDR-2020), held at A.P.C Mahalaxmi College for Women, Thoothukudi, TamilNadu, 27th& 28th February 2020.

List of Journal Publications

1. A. Suruliandi, T. Idhaya, S. P. Raja. “**Drug Protein Interaction Prediction Using Machine Learning Techniques – A Review**”, International Journal of Interactive Multimedia and Artificial Intelligence, **Unir La Universidad En Internet**

- publication**, Vol.8, Issue No. Regular, PP. No. 86-100, (2022), <http://dx.doi.org/10.9781/ijimai.2022.11.002>, ISSN No: 1989-1660, Impact Factor: 3.4, **Indexed in SCIE, Scopus & Google Scholar. (Published).**
2. T. Idhaya, A. Suruliandi, S. P. Raja. **“Calibrating the Classifiers for Protein Family Prediction with Protein Sequence using Machine Learning Techniques: An Empirical Investigation”**, International Journal of Wavelet, Multiresolution and Information Processing, **World Scientific Publication**, Vol. No: 21, Issue No: 3, PP. Murugan, **“Computational Prediction of Drug Compounds Targeting Xanthine Dehydrogenase to treat uric acid kidney stone Using Machine Learning Approaches”** DNA and Cell Biology, **SAGE Publications**, ISSN: 1044-5498, Impact Factor: 2.6, **Indexed in Scopus (Under Review), 2026.**

Seminars Attended

1. One day seminar on “The Art of Research Article Writing”, held on 14th November 2022, organized by the Department of Computer Science and Engineering, MS University .
2. One day seminar on “Research Projects and Patents”, held on 21th September 2022, organized by the Department of Computer Science and Engineering, MS University.
3. One day seminar on “Research Article Writing and Publication Ethics”, held on 20th September 2022, organized by the Department of Computer Science and Engineering,

MS University.

4. One day seminar on “Intellectual Property Rights and Patenting”, held on 20th November 2021, organized by the Department of Computer Science and Engineering, MS University.
5. One day seminar on “Recent Research Trends in Computer Science”, held on 8th October 2021, organized by the Department of Computer Science and Engineering, MS University.
6. One day seminar on “Machine Intelligence”, held on 22nd April 2019, organized by the Department of Computer Science and Engineering, MS University.
7. Two days seminar on “Scholarly Publishing, Writing Research Papers, Citation, Plagiarism and Copyright” held on 8th& 9th February 2019, organized by the Department of Library and information science, Thiruvalluvar College, Papanasam.
8. One day seminar on “Quality Research and Publications” held on 7th December 2018, organized by the Centre for Research, MS University.
9. Two days international seminar on “Prospective Areas of Research in Computer Science with Healthcare Data” conducted on 9th and 10th Aug 2018, organized by the department of computer science and department of zoology in collaboration with the IQAC, APC Mahalaxmi College for women, thoothukudi.
10. One day seminar on “Basics of Machine Learning using R-tool” held 23rd February 2018 organized by the department of computer science and engineering, MS University.
11. One day State level seminar on “Internet of things (IOT)” held on 17th Aug 2017 organized by the department of computer science and information technology, Wahoo Wajeetha Women’s College of arts and science, kayalpatnam.
12. Two days seminar on “Remote Sensing and Space Science”, held on 10th& 11th January 2017, organized by the Department of Computer Science and Engineering, MS University.
13. Two days seminar on “Advanced Concepts in Data Structure and Algorithms”, held on 3rd& 4th November 2016, organized by the Department of Computer Science and Engineering, MS University.
14. One day seminar on “Recent Trends in Space Science”, held on 21st October 2016, organized by the Department of Computer Science and Engineering, MS University.
15. Two days invited lecture on Space Science & Remote Sensing, held on 17th& 18th August 2016, organized by the Department of Computer Science and Engineering, MS University.

Workshops Attended

1. One day workshop on “Report Writing”, held on 12th September 2022, organized by the Department of Computer Science and Engineering, MS University.
2. One day workshop on “MOOCs through SWAYAM”, held on 19th November 2018, organized by the Department of Computer Science and Engineering, MS University.
3. One day hands-on workshop on “Data Analytics and Machine Learning using R”, conducted by SCS-India, at Madurai Facility, held during 26th July 2018.
4. One day workshop on “Internet of Things- the connected future” held on 5th August 2017 organized by the Institution of Electronics and Telecommunication Engineers (IETE) in association with Riyasaa labs, Kanyakumari.
5. Two days workshop on “Recent Trends in Space Science”, held on 24th and 25th April

2017, organized by the Department of Computer Science and Engineering, MS University.

6. Two days workshop on “Satellite Management and Its Issues”, held on 7th and 8th February 2017, organized by the Department of Computer Science and Engineering, MS University.
7. One day workshop on “Video Processing Using Matlab”, held on 3rd October 2016, organized by the Department of Computer Science and Engineering, MS University.
8. One day workshop on “Software Development Life Cycle (SDLC)”, held on 14th August 2014, organized by the Department of Computer Science, St. Xavier’s College.

Webinars Attended

1. One day webinar on “Deep Learning with python using Google Colab” held on 22nd February 2022, organized by the Department of Computer Science and Engineering, MS University.
2. One day national level webinar on “Tool for writing research outcomes in rightway” by Periyar Maniyammal Institute of science and technology on 24 th sep 2021.

Faculty Development Programme

1. One week FDP in association with NVIDIA on “Machine Learning and Deep Learning: Research and Application Perspectives” held during 19th – 24th January 2019, organized by the Department of ECE & IT at Bannari Amman Institute of Technology, Sathyamangalam.
2. One week online FDP title “Molecular Modeling and Insilco drug designing” by All India Council for teaching education from 23rd-27th August 2021 at St. Joseph’s College of Engineering.
3. One week online FDP on “Integrated swarm intelligence with artificial intelligence and machine learning”, Panimalar Engineering College in Association with Pantech e Learning from 14th -19th July 2025.
4. Five days online FDP on “Artificial Intelligence and Machine Learning”, Rajiv Gandhi University Association with Pantech e Learning from 15th -19th September 2025.
5. One week online FDP on “Recent Advancements in Artificial Intelligence (AI) & ML”, St. Joseph’s College of Engineering in association with STEP-National Institute of Technology.
